

## **PRACTICE PHILOSOPHY**

Dr. Donald Davenport, Jr., D.O.

I am a board certified general surgeon based in Odessa, Texas. I strive to deliver the highest quality surgical care in a compassionate manner.

I work closely with the patients to provide the best care possible. I am experienced in performing a full spectrum of general surgical operations, including advanced laparoscopy and am committed to providing state of the art surgical care.

I believe in providing complete and thorough education to the patient and in maintaining faithful communication with referring physicians. I strive to deliver the best care possible.
